MESSAGE FROM AARON MYSLIWIEC  
NYSACDL PRESIDENT 2014

January 29, 2015
NYSACDL Members and Honored guests...

Welcome to the NYSACDL annual dinner. Tonight, we celebrate, we renew friendships, and we draw strength and inspiration from one another. Thank you to all of you and to every NYSACDL member for the opportunity to serve as President in 2014.

We had an exciting and successful year in 2014. Our membership continued to grow by about 10% at a time when many bar organizations have thinning ranks. We conducted several high-quality CLEs across New York. And, our members were actively involved in advocating on many important public policy issues throughout the year.

All of the successes we had last year were due to the efforts of a strong team. Executive Director Jennifer Van Ort continued to build the organization and did outstanding work. Every one of our volunteer Board Members and the Past Presidents provided thoughtful advice and contributed their time and energy to our initiatives. The work we did last year would not have been possible without these contributions.

Congratulations to Wayne Bodden on becoming President in 2015. Undoubtedly, he will find his time in office as satisfying and rewarding as I have found mine. I hope that all of you will support him and NYSACDL in the coming year. Also, I hope that you will take full advantage of your membership in 2015, and participate in NYSACDL’s many activities and efforts to improve the justice system.

Best wishes for an enjoyable evening and to new successes in 2014.
On behalf of the NYSACDL and the Foundation, Good Evening and Greetings. We are pleased that you can join us as we celebrate the year that has past, salute our very deserving Honorees and look forward to the year ahead. As we look forward to the future, let us first acknowledge our past and thank our Founders, Past Presidents and Board Members. We owe a great deal gratitude for your service and efforts both past and present.

I am honored and humbled to have the privilege to serve as President for 2015. As we approach our 30th anniversary we seek to continue to grow and serve our statewide membership. Our membership not only comes from many counties of New York State but also in many forms of criminal defense practice. NYSACDL membership includes State and Local private practitioners, Federal practice practitioners, State and Federal publicly funded practitioners, White Collar firms and criminal defense non-attorney professionals. This is an inclusive and talented group of people with the common goal of providing the best defense to our clients.

Along with the Board, we will continue to lead the association to fight for our members, clients and common causes. Our collective continued efforts include attempts for discovery reform, overturning wrongful convictions, submitting amicus briefs when appropriate and continued legal eduction. The growth of the association is vital all those efforts as well as the our attempts to balance a very uneven criminal justice playing field.

Hopefully, you were able to enjoy the reception, catch-up with colleagues and even see friends from the past. Please join me in thanking and honoring President Aaron Mysliwiec for his tireless efforts, his vision and his commitment to growing NYSACDL. We also have three very special honorees. Judge Rivera has quickly distinguished herself as an outstanding jurist. Although a recent appointee, her decisions already reflect a high academic standard as well as social awareness. I am sure we will forever be glad we honored Judge Rivera as her career will no doubt take her to the top of the judiciary. Herb Greenman, a Western New York legend. He has for decades provided excellent defense and has been a mentor for so many in the Buffalo community. Lastly, Vince Warren, Center for Constitutional Rights, for his leadership and work fighting for the protection of constitutional rights, most recently through all the deaths of unarmed citizens by police and most notably the success of the stop and frisk action against the New York City Police Department.

Please have an outstanding evening. Thank you for your support. Thank you for your service.

**HONORABLE JENNY RIVERA**

**NEW YORK STATE COURT OF APPEALS**

**THE HON. WILLIAM BRENNAN AWARD FOR OUTSTANDING JURIST**

**Jenny Rivera,** Associate Judge of the Court of Appeals, was born in New York City in December 1960. On January 15, 2013, Governor Andrew M. Cuomo nominated her to the Court of Appeals, and the New York State Senate confirmed her appointment on February 11, 2013.

Judge Rivera has spent her entire professional career in public service. She clerked for the Honorable Sonia Sotomayor, on the Southern District of New York, and also clerked in the Second Circuit Court of Appeals Pro Se Law Clerk’s Office. She worked for the Legal Aid Society’s Homeless Family Rights Project, the Puerto Rican Legal Defense and Education Fund (renamed Latino Justice PRLDEF), and was appointed by the New York State Attorney General as Special Deputy Attorney General for Civil Rights. Judge Rivera has been an Administrative Law Judge for the New York State Division for Human Rights, and served on the New York City Commission on Human Rights. Prior to her appointment, she was a tenured faculty member of the City University of New York School of Law, where she founded and served as Director of the Law School’s Center on Latino and Latina Rights and Equality.

She graduated from Princeton University, and received her J.D. from New York University School of Law and her LL.M. from Columbia University School of Law.

THE HON. THURGOOD S. MARSHALL AWARD FOR
OUTSTANDING CRIMINAL PRACTITIONER

**Herbert L. Greenman** is a Senior Partner with Lipsitz Green Scime Cambria LLP. He concentrates his practice in the area of Criminal Defense; with extensive experience in matters including criminal trials, criminal appeals, constitutional law, narcotic cases, and search & seizure. After earning both his B.A., and J.D. at the State University of New York at Buffalo, Mr. Greenman began his career as an Assistant District Attorney for Erie County; prosecuting drug felonies from 1973 to 1974.

He has been in private practice since 1974 and has earned several awards and distinctions throughout his career. All his clients receive the benefit of unyielding energy, zealous representation, and encyclopedic knowledge.

He also is a mentor to the younger, up and coming criminal defense practitioners in Western New York, and even the most experienced courtroom warriors call him for advice and wise counsel.
